CAUTION
This product should be used on the crops recommended on this label, otherwise it may result in serious crop injury.

- Shake the packaging before opening.
- Do not apply during the hottest hours of the day.
- Exclusively agricultural use as fertilizer for plants.
- Store the product in places out of reach of children or animals.
- Store in a cool place protected from direct sun light.
- Respect maximum stowage height.

Do not mix **ROOTVOLUTION MASSGROWTH** with products wich contains phosphorous. With plant protection products carry out chemical compatibility tests before use.

ATTENTION
The application of fertilizer materials containing molybdenum may result in forage crops containing levels of molybdenum that may be toxic to ruminant animals.

Information regarding the contents and levels of metals in this product is available on the internet at https://www.aapfco.org/metals.html

WARNING
The company guarantees the composition, formulation and content of the product. The user is responsible for the use and application of the product, according to the indications for use set out in this label.
